INDUCTION PROGRAMME

Yoga & Debate Activities – As part of the **Induction Programme**, Yoga and Debate activities were organized for newly admitted students to support their **holistic development and active engagement**. The **Yoga Session** promoted physical fitness, mental well-being, concentration, and healthy lifestyle practices, while the **Debate Activity** provided students with a platform to express their ideas and viewpoints confidently. Together, the activities helped develop **communication skills, critical thinking, confidence, discipline, and overall personality development** among students.

PAHAL SCHEME

Computer Education for School Students – Under the **Pahal Scheme**, computer education sessions were conducted for **school students of Classes 6 to 10** to introduce them to the fundamentals of computers and digital technology. Students received practical exposure to **basic computer operations, commonly used applications, internet usage, and digital tools**. The initiative aimed to develop **digital literacy, technological awareness, and confidence in using computers** among school students while providing them with an early foundation in information technology.

INDEPENDENCE DAY & TOPPERS' PRIZE DISTRIBUTION

On the occasion of **Independence Day**, a **Toppers' Prize Distribution Ceremony** was organized at Government Polytechnic Muzaffarpur to recognize and celebrate the academic achievements of meritorious students. The toppers from **Batch:2022-25** were felicitated for their **outstanding academic performance, dedication, and consistent efforts**. The recognition motivated students to strive for academic excellence and fostered a culture of **hard work, achievement, and healthy competition** within the institute.

NATIONAL SPORTS DAY

GP, Muzaffarpur

Chess & Carrom Competitions –

On the occasion of **National Sports Day**, Chess and Carrom Board competitions were organized at Government Polytechnic

Muzaffarpur to encourage students' participation in indoor sports and recreational activities. Students enthusiastically participated in the competitions and demonstrated **concentration, strategic thinking, decision-making, patience, and competitive spirit**. The activities promoted **sportsmanship, healthy competition, and holistic development** while providing students with an engaging platform beyond academics.

TEACHER'S DAY CELEBRATION

Happy
Teacher's Day!

In the world of knowledge you light our way,
Guiding us through each and every day!
You tireless efforts have made us grow,
Thank you for all the love and support you show
With every word and every smile,
You make our learning journey worthwhile.
Thank you so much teachers for all that you do,
With your guidance, our dreams we can pursue
You shape our minds with love and care,
Making learning an adventure, beyond compare
Your unwavering commitment to our education
Has laid a crucial foundation.
Your impact reaches far and beyond,
We share a loving bond.
So a very happy teacher's day,
Thank you for shaping our way.
We appreciate you with a grateful heart,
You were our role models from the start.

BY SAANVI RAO

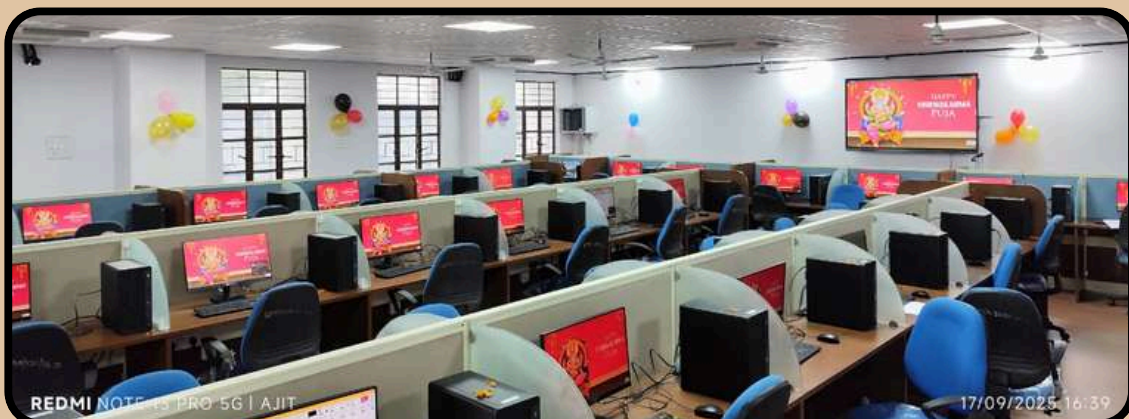

ENGINEERS' DAY CELEBRATION

Engineers' Day was celebrated at Government Polytechnic Muzaffarpur to commemorate the birth anniversary of **Sir M. Visvesvaraya** and recognize the contribution of engineers to technological advancement and nation-building. Students participated in activities aimed at promoting **innovation, creativity, technical knowledge, and problem-solving skills**. The celebration encouraged young learners to develop an engineering mindset and inspired them to use their technical knowledge to create **practical and sustainable solutions for society**.

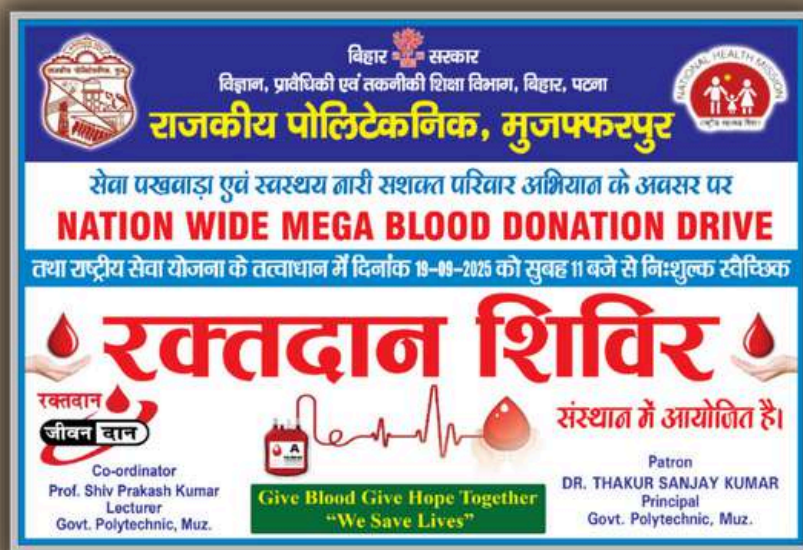

VISHWAKARMA PUJA CELEBRATION

Vishwakarma Puja was celebrated at Government Polytechnic Muzaffarpur with active participation from students, faculty members, and staff. The celebration honoured **Lord Vishwakarma, revered as the divine architect and symbol of craftsmanship, engineering, and technology.** Students and faculty gathered for the traditional पूजा and offered prayers for progress, innovation, and excellence in technical education. The occasion promoted a sense of **togetherness, respect for technical skills, and appreciation for the tools and technologies** that form an integral part of engineering education.

BLOOD DONATION CAMP

A Step Towards Saving Lives – A Blood Donation Camp was organized at Government Polytechnic Muzaffarpur to promote the importance of voluntary blood donation and encourage a spirit of **social responsibility and community service** among students. Students and members of the institute actively supported the initiative. **Shahina Praween, a student of the Department of CSE, voluntarily donated blood**, setting an inspiring example of compassion and social commitment for fellow students. The initiative helped spread awareness about the life-saving significance of blood donation and encouraged students to contribute positively to society.

NCC AWARENESS PROGRAMME

An **NCC Awareness Programme** was organized at Government Polytechnic Muzaffarpur to familiarize students with the **National Cadet Corps (NCC)** and its role in developing discipline, leadership, character, and a spirit of service among youth. Students were introduced to the objectives and activities of NCC and encouraged to understand the importance of **teamwork, physical fitness, social responsibility, patriotism, and nation-building**. The programme motivated students to actively participate in activities that contribute to their **overall personality and leadership development**.
