Food Stall

A lively food stall event was organized in the college campus, bringing students and faculty together for a fun and enjoyable experience. Students enthusiastically set up different stalls offering a variety of snacks, beverages, and homemade delicacies. The event provided students with an opportunity to showcase their creativity, teamwork, and entrepreneurial skills while interacting with their classmates and teachers. The colorful stalls, delicious food, and cheerful atmosphere made the event a memorable part of college life. It was a wonderful occasion that combined learning, friendship, and entertainment.

Independence Day 2024

15th August

Independence Day & Toppers' Prize Distribution – On the occasion of Independence Day, a Toppers' Prize Distribution Ceremony was organized at Government Polytechnic Muzaffarpur to recognize and celebrate the academic achievements of meritorious students. The toppers were felicitated for their outstanding academic performance, dedication, and consistent efforts. The recognition motivated students to strive for academic excellence and fostered a culture of hard work, achievement, and healthy competition within the institute.

रक्तदान शिविर

23 November 2024

Food Stall & Blood Donation Camp – A Food Stall and Blood Donation Camp were organized at Government Polytechnic Muzaffarpur as part of student engagement and social responsibility activities. Students enthusiastically participated in managing the food stalls, which encouraged teamwork, planning, coordination, creativity, and entrepreneurial skills. Alongside this, the Blood Donation Camp promoted awareness about voluntary blood donation and community service. The activities provided a meaningful combination of student engagement, skill development, and social responsibility

"रक्तदानं महादानं, जीवनदानं तदुत्तमम्"

CAMPUS PLACEMENT Drive

27 September 2024

Antrie & School Dash Placement Drive – A campus placement drive by Antrie and School Dash was organized at Government Polytechnic Muzaffarpur to provide students with employment opportunities and exposure to the recruitment process. Students participated in the selection activities and interacted with recruiters, gaining valuable experience of industry expectations and professional recruitment practices. The drive supported students in enhancing their career awareness, confidence, employability, and placement readiness.
